

TABLE OF CONTENTS

Pre-Test	1
Rigor Table	79
COMPETENCY 1.0 UNDERSTANDING EXCEPTIONALITIES	
Skill 1.1 Human development and behavior as related to students with disabilities	80
Skill 1.2 Language development and behavior	84
Skill 1.3 Cognition	88
Skill 1.4 Physical development, including motor and sensory	90
Skill 1.5 Characteristics of students with disabilities	92
Skill 1.6 Affective and social-adaptive factors	93
Skill 1.7 Genetic, medical, motor, sensory, and chronological age factors	94
Skill 1.8 Basic concepts in special education	95
Skill 1.9 The causation and prevention of disability.....	97
Skill 1.10 The nature of behaviors, including frequency, duration, intensity, and degrees of severity	99
Skill 1.11 The classification of students with disabilities.....	100
Skill 1.12 The influence of level of severity and presence of multiple exceptionalities on students with disabilities.....	103
Skill 1.13 The influence of an exceptional condition(s) throughout an individual's life span.....	104

COMPETENCY 2.0 LEGAL AND SOCIETAL ISSUES 106

Skill 2.1	Federal laws and legal issues related to special education	106
Skill 2.2	P. L. 94-142.....	106
Skill 2.3	Section 504	109
Skill 2.4	Americans with Disabilities Act (ADA)	110
Skill 2.5	Public Law 105-17 (IDEA '97)	111
Skill 2.6	No Child left behind Act (NCLB)	113
Skill 2.7	IDIEA (IDEA 2004)	114
Skill 2.8	Important legal issues.....	116
Skill 2.9	The school's connections with the families, prospective and actual employers, and communities of students with disabilities	118
Skill 2.10	Parent partnerships and roles	119
Skill 2.11	Public attitudes toward individuals with disabilities.....	121
Skill 2.12	Cultural community influences on public attitudes toward individuals with disabilities.....	126
Skill 2.13	Interagency agreements.....	127
Skill 2.14	Cooperative nature of the transition process.....	127
Skill 2.15	Historical movements/trends affecting the connections between special education and the larger society	129
Skill 2.16	Inclusion	130
Skill 2.17	Application of Technology	133
Skill 2.18	Transition.....	133
Skill 2.19	Advocacy	137
Skill 2.20	Accountability and meeting educational standards.....	139

COMPETENCY 3.0 DELIVERY OF SERVICES TO STUDENTS WITH DISABILITIES..... 140

Skill 3.1	Conceptual approaches underlying service delivery to students with disabilities	140
Skill 3.2	Placement and program issues	143
Skill 3.3	Integrating best practices, multidisciplinary research, and professional literature	152
Skill 3.4	Curriculum and instruction and their implementation across the continuum of educational settings	153
Skill 3.5	Individualized family service plan (IFSP)/Individualized education program (IEP) process.....	161
Skill 3.6	Instructional development and implementation	163
Skill 3.7	Teaching strategies and methods	170
Skill 3.8	Instructional format and components.....	174
Skill 3.9	Career development and transition issues as related to curriculum design and implementation.....	176
Skill 3.10	Technology for teaching and learning in special education settings.....	179
Skill 3.11	Assessment.....	189
Skill 3.12	Use of assessment for screening, diagnosis, placement, and the making of instructional decisions	191
Skill 3.13	Procedures and test materials	193
Skill 3.14	How to select, construct, conduct, and modify nondiscriminatory, developmentally and chronologically age appropriate informal assessments.....	196
Skill 3.15	Structuring the learning environment.....	199
Skill 3.16	Classroom management techniques	205
Skill 3.17	Ethical considerations inherent in behavior management	211

Skill 3.18	Professional roles-specific roles and responsibilities of teachers.....	212
Skill 3.19	Influence of teacher attitudes, values, and behaviors on the learning of exceptional students	214
Skill 3.20	Communicating with parents, guardians and appropriate community collaborators	215
Skill 3.21	Understanding ethical principles of practice	220
Skill 3.22	Familiarity with consumer and professional organizations, publications, and journals relevant to individuals with disabilities, and knows how to access information on cognitive, communicative, physical, cultural, social, and emotional characteristics and needs of individuals with disabilities	221
