SUBAREA I. THE LIBRARY MEDIA PROGRAM

COMPETENCY 0001 UNDERSTAND THE ROLE OF THE LIBRARY MEDIA PROGRAM AND ITS RELATIONSHIP TO THE TOTAL SCHOOL PROGRAM 1

- Skill 1.1 Demonstrating understanding of the importance of creating an environment that supports the multiple uses of the library media center and promotes lifelong learning..... 1
- Skill 1.2 Aligning library media program goals and objectives with curricular needs and identifying appropriate library media resources, personnel, and services to support the curriculum (e.g., addressing the needs of the learning community with regard to resources-based learning, information literacy skills and strategies, and resources in the curriculum) 1
- Skill 1.3 Recognizing the integral and collaborative role of the library media program in all curricular areas2
- Skill 1.4 Identifying characteristics and functions of an effective school library media program.....2
- Skill 1.5 Formulating a mission statement for the library media program that reflects overall school and district goals and objectives3
- Skill 1.6 Recognizing the role of the library media program in providing equitable physical and intellectual access to information, ideas, and learning and teaching tools.....4

COMPETENCY 0002 UNDERSTAND THE ROLES AND RESPONSIBILITIES OF THE LIBRARY MEDIA SPECIALIST..... 5

- Skill 2.1 Applying strategies for creating a positive teaching and learning climate in the library media center 5
- Skill 2.2 Applying strategies for encouraging students to take responsibility for their own learning 5
- Skill 2.3 Demonstrating knowledge of the management functions of library media specialists with regard to services, facilities, personnel, and funding.....6
- Skill 2.4 Recognizing the importance of building and maintaining collaborative partnerships to support the library media program 10

TEACHER CERTIFICATION STUDY GUIDE

Skill 2.5 Recognizing the role of the library media specialist in providing expertise and advocacy in collection development and the use of information technology and resources..... 10

Skill 2.6 Demonstrating knowledge of methods for creating and maintaining a positive relationship with students that recognizes their needs and interests..... 11

**COMPETENCY 0003 UNDERSTAND THE INSTRUCTIONAL PARTNER
ROLE OF THE LIBRARY MEDIA SPECIALIST IN
CURRICULUM DEVELOPMENT 12**

Skill 3.1 Demonstrating knowledge of basic principles of curriculum development and standardized practices 12

Skill 3.2 Demonstrating knowledge of methods for integrating New York State Learning Standards and national information literacy standards into the school curriculum 13

Skill 3.3 Recognizing ways of collaborating with classroom teachers to develop connections among subjects, standards, and strategies for learning..... 13

Skill 3.4 Identifying types and characteristics of various instructional materials and resources (e.g., overhead transparencies, multimedia presentations)..... 14

Skill 3.5 Examining considerations related to the design and production of instructional materials (e.g., intended audience) and applying procedures for producing and reproducing various types of instructional materials..... 15

Skill 3.6 Demonstrating knowledge of methods for sharing information with faculty and staff for professional enrichment 16

**COMPETENCY 0004 UNDERSTAND PROFESSIONAL STANDARDS,
LEGAL REQUIREMENTS, AND ETHICAL ISSUES IN
THE LIBRARY MEDIA PROGRAM 18**

Skill 4.1 Identifying professional responsibilities of the library media specialist (e.g., ensuring equitable access to information, instructing and training other members of the learning community about library media resources and their uses, serving as an advocate for students and the library media program, recognizing and addressing issues of bias and diversity)..... 18

Skill 4.2 Demonstrating knowledge of ethical responsibilities of library media personnel in various situations 19

Skill 4.3 Applying professional and legal standards and guidelines in various library media contexts..... 19

TEACHER CERTIFICATION STUDY GUIDE

Skill 4.4	Demonstrating understanding of the library media specialist's role in promoting intellectual freedom	21
Skill 4.5	Demonstrating knowledge of issues related to copyright and intellectual property and of legislation affecting library media programs	22

SUBAREA II. LIBRARY MEDIA RESOURCES

COMPETENCY 0005 UNDERSTAND THE RELATIONSHIP BETWEEN THE LIBRARY MEDIA PROGRAM AND INFORMATION RESOURCES AND SERVICES BEYOND THE SCHOOL..... 24

Skill 5.1	Demonstrating understanding of the role of libraries in a democratic society to sustain lifelong learning	24
Skill 5.2	Recognizing the role of the library media program in connecting teachers and students to local, district, state, national, and global resources.....	24
Skill 5.3	demonstrating knowledge of the characteristics and uses of Information resources and services beyond the school (e.g., electronic services, public libraries, interlibrary loan, state service providers for special populations).....	25
Skill 5.4	applying strategies for developing and maintaining connections to information, resources, and services beyond the school.....	26

COMPETENCY 0006 UNDERSTAND TYPES AND CHARACTERISTICS OF PRINT, NONPRINT, AND ELECTRONIC RESOURCES 26

Skill 6.1	Demonstrating knowledge of types, characteristics, and uses of print resources.....	26
Skill 6.2	Demonstrating knowledge of types, characteristics, and uses of nonprint resources.....	28
Skill 6.3	demonstrating knowledge of types, characteristics, and uses of electronic resources	28
Skill 6.4	Recognizing and comparing advantages and limitations of various resources and Formats.....	29

COMPETENCY 0007 UNDERSTAND TYPES AND CHARACTERISTICS OF LITERATURE FOR CHILDREN AND YOUNG ADULTS 31

Skill 7.1	Demonstrating knowledge of various forms and genres of literature (e.g., biography, poetry, drama, science fiction).....	31
-----------	--	----

TEACHER CERTIFICATION STUDY GUIDE

Skill 7.2	Identifying characteristics of literature for children and young adults	32
Skill 7.3	Recognizing developmental factors that should be considered when selecting literature for individual students.....	33
Skill 7.4	Examining criteria for, and analyzing issues related to, the selection of literature for a school library media program (e.g., representation of diversity, avoidance of stereotypes, age-appropriateness) and using professional resources in the selection process.....	33
Skill 7.5	Applying strategies and activities that promote the appreciation and enjoyment of reading	37

COMPETENCY 0008 UNDERSTAND ISSUES AND PROCEDURES RELATED TO COLLECTION DEVELOPMENT 38

Skill 8.1	Identifying sources for the acquisition of materials and equipment for the library media program	38
Skill 8.2	Developing and applying criteria for evaluating and selecting resources and equipment that will enable the library media program to support the school's mission and objectives.....	41
Skill 8.3	Applying procedures for working collaboratively with others to identify the needs of students; plan purchases; and design, develop, and evaluate resources.....	46
Skill 8.4	Applying procedures for communicating with and involving the learning community in the evaluation, selection, and deselection processes	47
Skill 8.5	Analyzing issues and considerations related to the selection of Resources and equipment for a school library media program (e.g., intellectual freedom, copyright, specialized collection development, accessibility, avoidance of bias) and using professional selection tools.....	48
Skill 8.6	Demonstrating knowledge of considerations involved in collection analysis (e.g., balance, alignment with curriculum and learning standards, representation of diversity, age of collection).....	49

SUBAREA III. INFORMATION LITERACY SKILLS

COMPETENCY 0009 UNDERSTAND METHODS FOR TEACHING INFORMATION LITERACY SKILLS TO STUDENTS 50

Skill 9.1	Using knowledge of child development principles and educational pedagogy to provide students with age-appropriate information sources and instructional strategies and services	50
-----------	---	----

TEACHER CERTIFICATION STUDY GUIDE

Skill 9.2	Demonstrating understanding of various approaches to an information-seeking process.....	50
Skill 9.3	Evaluating differentiated teaching strategies for encouraging critical and creative thinking and developing information literacy skills (e.g., reading skills, listening skills, viewing skills)	51
Skill 9.4	Selecting and adapting strategies and resources, including new and adaptive technologies, to assist students with diverse learning abilities, styles, and needs.....	52
Skill 9.5	Recognizing ways to assist students seeking information for personal interest and self-improvement and to promote independent learning opportunities that address various learning styles	52
Skill 9.6	Demonstrating knowledge of national information literacy standards and Guidelines	54

COMPETENCY 0010 UNDERSTAND HOW TO DETERMINE INFORMATION NEEDS AND INITIATE SEARCHES AND HOW TO TEACH THESE SKILLS TO STUDENTS 55

Skill 10.1	Applying procedures for formulating essential questions or problems and designing information search plans	55
Skill 10.2	Evaluating potential sources of information with regard to specific criteria (e.g., currency, format, authority, accuracy, bias, coverage)	55
Skill 10.3	Recognizing ways of structuring searches across a variety of sources and formats to locate the best information for a particular need	56
Skill 10.4	Applying strategies for eliciting information needs from learners (e.g., identifying the type of information needed, placing information needs in a frame of reference, relating the information to prior knowledge)	56
Skill 10.5	Applying strategies for helping students formulate essential questions or problems and initiate searches	57

COMPETENCY 0011 UNDERSTAND HOW TO LOCATE AND ACCESS RESOURCES AND HOW TO TEACH THESE SKILLS TO STUDENTS 58

Skill 11.1	Identifying key words, subject headings, and cross-references for searches.....	58
Skill 11.2	Applying procedures for accessing information from diverse sources within and outside the library media center	58

TEACHER CERTIFICATION STUDY GUIDE

Skill 11.3	Demonstrating knowledge of strategies for conducting electronic searches (e.g., identifying electronic sources, restricting a search using Boolean operators)	59
Skill 11.4	Applying procedures for using information retrieval systems (e.g., catalogs, indices).....	59
Skill 11.5	Recognizing ways of helping students develop skills and independence in locating and accessing resources	60

COMPETENCY 0012 UNDERSTAND STRATEGIES FOR ASSESSING PROGRESS DURING A SEARCH, ANALYZING AND EVALUATING INFORMATION, AND TEACHING THESE SKILLS TO STUDENTS 61

Skill 12.1	Recognizing ways of evaluating the progress of a search.....	61
Skill 12.2	Determining appropriate adjustments to search strategies and evaluating whether expected outcomes of a search were achieved	61
Skill 12.3	Applying criteria for evaluating information (e.g., determining authority, distinguishing fact from opinion, comparing information from different sources).....	62
Skill 12.4	Evaluating the effectiveness of information presented in various Formats	62
Skill 12.5	Applying skills for summarizing, organizing, and synthesizing Information	62
Skill 12.6	Applying methods for helping students evaluate and interpret information (e.g., determining whether information addresses the original problem, drawing conclusions from information obtained in a search)	63

COMPETENCY 0013 UNDERSTAND HOW TO COMMUNICATE INFORMATION OBTAINED FROM A SEARCH AND HOW TO TEACH THIS SKILL TO STUDENTS..... 64

Skill 13.1	Recognizing legal and ethical guidelines related to the use of information.....	64
Skill 13.2	Applying guidelines for preparing a bibliography or works-cited list	66
Skill 13.3	Organizing information into a form that clearly communicates what has been learned.....	66
Skill 13.4	Applying procedures for selecting an appropriate format to communicate information (e.g., print, audio, video, multimedia) and for producing an effective end product	68

TEACHER CERTIFICATION STUDY GUIDE

Skill 13.5	Applying methods for helping students think creatively about approaches to and formats for communicating information	68
------------	--	----

SUBAREA IV. PROGRAM ADMINISTRATION AND LEADERSHIP

COMPETENCY 0014 UNDERSTAND THE LEADERSHIP ROLE OF THE LIBRARY MEDIA SPECIALIST WITHIN THE ENTIRE EDUCATIONAL COMMUNITY 69

Skill 14.1	Applying strategies for participating in district, building, department, and grade level curriculum design and assessment projects to ensure that the library media program is integral to the school curriculum.....	69
Skill 14.2	Applying advocacy strategies to build support for the library media program among teachers, administrators, school board members, parents/guardians, students, and the community	70
Skill 14.3	Applying procedures for establishing partnerships with the school community to support learning objectives, share the vision of the library media program, and engage in long-range, strategic planning.....	70
Skill 14.4	Demonstrating knowledge of ways to incorporate the library media program in educational reform.....	71

COMPETENCY 0015 UNDERSTAND FACILITIES USE IN THE LIBRARY MEDIA CENTER 73

Skill 15.1	Analyzing factors to be considered when designing and furnishing a library media center (e.g., efficient use of space; areas needed for specific purposes; age appropriateness; providing accommodations for technology and for students with special developmental and educational needs; creating a warm, friendly atmosphere that is conducive to learning)	73
Skill 15.2	Identifying, evaluating, establishing, and using delivery systems to retrieve information in all formats and for all ability levels.....	76
Skill 15.3	Demonstrating knowledge of scheduling considerations and applying techniques for scheduling library media center resources, equipment, and space (e.g., flexible scheduling).....	78
Skill 15.4	Applying procedures for operating, storing, maintaining, inventorying, and securing library media resources	78
Skill 15.5	Recognizing policies that promote equitable access to and use of library media Facilities	80

TEACHER CERTIFICATION STUDY GUIDE

**COMPETENCY 0016 UNDERSTAND PROCEDURES FOR LIBRARY MEDIA
RESOURCE ORGANIZATION AND CIRCULATION ... 81**

Skill 16.1	Identifying and applying standard methods of classifying and cataloging library media materials (e.g., Dewey Decimal System, Sears List of Subject Headings, U.S. MARC, AACR2, ALA filing rules)	81
Skill 16.2	Applying methods, including the use of technology, for developing and maintaining centralized management systems for equipment, electronic information systems, print and nonprint materials, and other learning resources that are inventoried and circulated through the library media center	83
Skill 16.3	Demonstrating knowledge of collection management principles and Procedures	84
Skill 16.4	Recognizing types of circulation patterns, controls, records, and systems and analyzing factors to be considered when establishing use and circulation policies.....	85
Skill 16.5	Evaluating and implementing policies to ensure equitable and reasonable access to library resources	86

**COMPETENCY 0017 UNDERSTAND PROCEDURES AND ISSUES
RELATED TO FISCAL AND STAFF MANAGEMENT IN
LIBRARY MEDIA PROGRAMS..... 87**

Skill 17.1	Determining fiscal needs, setting fiscal goals, and establishing fiscal priorities for the library media program.....	87
Skill 17.2	Applying strategies for communicating effectively within and outside the learning community about the status and needs of the library media program	87
Skill 17.3	Applying procedures for preparing budgets and reports, maintaining records, and running a library media program within budget.....	88
Skill 17.4	Demonstrating basic knowledge of local, state, federal, and private sources of funding for library media programs	91
Skill 17.5	Applying principles and procedures for selecting, supervising, and evaluating staff and for handling personnel and staffing issues	92
Skill 17.6	Recognizing characteristics, roles, and training needs associated with library media personnel and applying methods for conducting professional development activities for library media staff.....	93

TEACHER CERTIFICATION STUDY GUIDE

COMPETENCY 0018 UNDERSTAND THE DEVELOPMENT, IMPLEMENTATION, AND ONGOING EVALUATION OF A LIBRARY MEDIA PROGRAM..... 94

Skill 11.1 Using a needs assessment to establish program goals and to identify appropriate activities and resources to meet those goals 94

Skill 11.1 Recognizing ways of involving the learning community in the formulation and communication of a long-range plan for the library media program (e.g., establishing a school library media planning team) 95

Skill 11.1 Applying procedures for evaluating the effectiveness of a library media program (e.g., with regard to collection, facility, personnel, etc.) 98

Skill 11.1 Selecting and implementing strategies for modifying a program based on evaluation results 99

Sample Test..... 102
